About Us

- ▶ Our company was incorporated in 1998
- ▶ Arlene had previously been in the Auto Repair business and was one of the first women in the State of Pennsylvania to obtain a State Inspection License in 1990.
- ▶ Mike worked in the Zizza family construction and heavy equipment business since 1985.
- ▶ Under Arlene's visionary direction, the two founded Zizza Highway Services (ZHS). Early on ZHS was primarily a landscape services business specializing in: residential, commercial and government projects.
- ▶ ZHS quickly grew and expanded its service lines by providing: highway mowing, street sweeping, and tree and brush removal along with their core landscaping services.
- ▶ Through successive years of growth and high quality project deliverables, ZHS was awarded numerous sub-contract Railroad projects and has been a top performer in that space ever since.

Certifications & Training
